If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without proper registration is an ethics violation which is reported to U.S. Figure Skating and PSA.

A 0.2 deduction will be assessed by the referee against each judge’s mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant’s marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.
