Important Information:

FIRST TIME SKATERS IN OUR PROGRAM:

Snowplow Sam 1 is the beginning level for 4 & 5 year olds. Basic 1 is the beginning level for skaters 6 years and older. Adult 1 is the beginning level for skaters 18 years and older. After you master the skills at Level 1, you will graduate to Level 2 and so on. Report Cards are given & official badges will be given out for each level mastered. Each class includes ½ hour practice ice. Helpful Hints: **Wear gloves / Mittens**, Wear bicycle or hockey helmets for beginning skaters. Wear knit pants for flexibility (snow pants are OK). Layer heavy shirts or jackets, single blade, sharpened skates are required, **Skate rentals are available at the rink** . If you have any questions: call the LTS Director at 819-6047. Visit our website at: greatergreenbayfsc.com Advanced registration is required. Class sizes are limited & fill quickly.

US Figure Skating Membership-Skaters need to pay a yearly fee of \$16.00 (plus \$1.25 processing fee) for a basic skills membership. This allows the skater to compete at Basic Skills competitions and also includes sports insurance coverage. Sign up on line at learntoskateusa.com A skills booklet and other information will be directly mailed to you.

Nametags-All skaters MUST wear nametags! This is how we can tell what class your skater is in and then we can help them get to their classes on time. If you are on the ice, you must wear a nametag.

Concussions and Safe Sport-Unfortunately, concussions happen in many sports. We want you to be aware of the symptoms and be informed about concussions just in case you or your skater gets injured. GGBFSC's website has information for you at: <http://www.greatergreenbayfsc.com/ConcussionParents.pdf> Forms must be signed before you can skate on our ice. All Handbooks are on GGBFSC website forms tab. Thank you for being compliant.

Private Lessons- Lessons need to be scheduled and paid for in advance. See Director Amy to schedule a lesson and for more details. Lessons can be given on the practice end of the ice. Amy's email: triplegolddesigns@att.net

Make-Up classes-if you miss your lesson, you can get a make-up pass from the nametag table. Classes are on Thursday and Saturday. If you sign up late, we will not pro-rate but instead give make-up passes. Make-up passes cannot be used for payment. They expire in one year from date of issue.

Bridge to Club Program-See what being a full club member is all about! Skaters (Basic 5 and above) will skate on private club ice and get private lessons from various GGBFSC coaches. 4 or 8 week program. See Director Amy for more information.

Hockey skills- Learn to skate before adding a hockey stick. No pads or stick. Helmets encouraged. Endorsed by USA Hockey. It is recommended for skaters above Basic 1.

Coaches -We take pride in knowing that our coaches are professionally trained and certified by **Learn To Skate USA!!**

KICKS Synchronized Skating Teams-skaters above Basic 3 are invited to try out for GGBFSC's synchro teams. The beginner team has competitions in Wisconsin only. See nametag table for more information.
