

Greater Green Bay Figure Skating Club

2022-2023 Service Hour Requirements

Your service hours are greatly appreciated. The fees paid by the skaters do not fully cover the cost of Club ice. Thanks to your efforts, GGBFSC is able to provide ice at a reasonable cost. The Greater Green Bay Figure Skating Club requires nearly 10,000 service hours per year from its membership to operate its activities and events. The service year matches the USFSA membership year of July 1, 2022 to June 30, 2023.

All Introductory & Full Club member families will be required to complete six requirements for service hours by 6/30/2023:

1. Five (5) service hours at Required Events (Skate Green Bay, Camps and Spring Ice Show).
2. One (1) volunteer session at each participating club test session.
3. Four (4) hours of Ice monitoring during our Fall session of ice.
4. Four (4) hours of Ice monitoring during our Spring session of Ice.
5. Twelve (12) additional club service hours or involvement of a committee by attending & participating in at least 70% of the meetings.

-Note: Ice Monitoring DOES NOT count towards the required 12 additional/committee volunteering requirements.

Please mark which option you prefer to fulfill the additional 12 service hours.

Pay \$240 by 7/1/2022 to opt out of the additional 12 service hours. (Note: Items 1-4 are still required)

Choose miscellaneous hours throughout the season outside of those listed above.
