

GROW THE 'STONE

Join us in shaping the future of ice sports by helping us transform the Cornerstone Community Center into the Midwest's premier destination for figure skating and hockey. This expansion will not only create a state-of-the-art facility with seating for 3,000 fans, but it will also play a crucial role in nurturing the next generation of athletes. With the support of the Greater Green Bay Figure Skating Club, this will ensure that young figure skaters have the resources and opportunities they need to excel.

Together, we can provide a venue for future competitions, exhibitions and ice shows in our area while fostering a vibrant community for our youth.
